

Questions to Ask in the First Session

A simple script for the first call or meeting with a tutor.

You do not need to be an expert to ask good questions. These are the questions that help you understand whether a tutor is a safe, qualified, and warm fit for your child — in plain words, in any language.

Before you book

1 Before the first session

During the first session

- Does the tutor speak kindly and patiently to your child?
- Does your child seem comfortable, not anxious?
- Does the tutor explain things in more than one way?
- Is the session focused, with a clear goal?
- Did the tutor ask about your child's goals and worries?
